CHALLENGE EVENT

At the Challenge Event, the Winners will participate in a live prize reveal that will go through several rounds of cash prize reveals with activities to be coordinated and produced by IGT as follows:

1. Round 1: All Winners will each select one (1) of fifty (50) containers, the contents of which will either award a cash prize ranging from three thousand dollars (\$3,000) to thirty thousand dollars (\$30,000) (43 of 50 containers) or indicate that the Winner will advance to Round 2 (7 of 50 containers). Seven (7) Winners will advance to Round 2. The forty-three (43) Winners receiving a container with a cash prize do not advance and their participation in the Challenge Event is completed.
2. Round 2: The seven (7) Winners participating in Round 2 will each select one (1) of seven (7) containers, the contents of which will either award a cash prize ranging from forty thousand dollars (\$40,000) to seventy thousand dollars (\$70,000) (4 of 7 containers) or indicate that the Winner will advance to Round 3 (3 of 7 containers). Three (3) Winners will advance to Round 3. The four (4) Winners receiving a container with a cash prize do not advance and their participation in the Challenge Event is completed.
3. Round 3: The three (3) Winners participating in Round 3 will each spin a wheel three (3) times. The wheel will contain sixteen (16) wedges. The wheel wedges will be labeled with dollar amounts of twenty-five thousand dollars (\$25,000), fifty thousand dollars (\$50,000), or seventy-five thousand dollars (\$75,000). Each wheel spin must complete at least one full revolution to be considered a complete and eligible spin. The Winner with the highest cumulative dollar amount after those three spins is the Finalist ("Finalist") and will proceed to Round 4, the final round. The other two (2) Winners participating in Round 3 will win as a prize the cumulative dollar amount of all 3 spins.

If two (2) or all three (3) of the Round 3 participants end up with a cumulative dollar amount that is the same and is the highest cumulative dollar amount in Round 3, each such Winner shall participate in a tie-breaker round. For the tie-breaker, each Winner in the tie-breaker round will spin the wheel one (1) or more time until the tie is broken with the Winner with the highest dollar amount deemed the Finalist. The one (1) Winner with the highest cumulative dollar amount, or who is the Winner of the tie-breaker round(s), will be deemed the Finalist. None of the dollar amounts landed on during the tie-breaker round(s) will be awarded as a cash prize, just the three (3) dollar amounts in the initial group of three (3) spins for Round 3.

4. Round 4: The Finalist will enter Round 4 with the amount they won in Round 3 as their bankroll. The Finalist will select three (3) of fifty (50) containers to reveal either additional cash prizes (43 of 50 containers), a 2X multiplier (2 of 50 containers), a 3X multiplier (2 of 50 containers), iHeart CASH cards (3 of 50 containers), or a combination. If the Finalist reveals one (1) or two (2) iHeart CASH cards, each card will be valued at TEN thousand dollars (\$10,000) and that amount will be added to their Round 4 total. The Finalist will win the cumulative amount of all three (3) prizes in

Round 4. If the Finalist reveals the 2X or 3X multiplier, their Round 4 cash winnings from the other two (2) selected containers will be doubled or tripled. In the event that a Finalist reveals more than one multiplier, the Finalist shall select up to two (2) additional containers. The higher multiplier originally selected shall be applied to the cumulative dollar amount revealed in these up to two (2) additionally-revealed containers. Should the Finalist reveal all three (3) iHeart CASH prizes in Round 4, they will win the maximum Challenge Event prize of ten million dollars (\$10,000,000) in total.
